

# Lake Don Pedro Community Services District

## Special Meeting of January 18, 2017

### AGENDA SUPPORTING DATA

#### 5. DISCUSSION AND ACTION ITEMS:

- b. Staff presentation and discussion regarding the status of District operations, water system maintenance, fleet maintenance, weaknesses and opportunities for improvement

#### **Background**

The Board of Directors has requested to “get to know” the operations of the District, conduct site tours as well as develop and implement a comprehensive system of maintenance for the water system.

The purpose of this agenda item is to provide a presentation that helps the Board and public be familiar with the strengths, weaknesses, opportunities and threats related to meeting the goal of comprehensive system maintenance, and thus extending the useful life of our infrastructure assets.

Staff will provide a presentation to review system maintenance requirements, examples of the current day to day crisis management, what we are and are not completing in terms of system operation and maintenance.

#### **Recommended Motion**

This is an informational item only.
